The screenshot shows the 'Change My Password' page of the eduPass system. The page has a blue header with the 'VICTORIA State Government' logo, 'Education and Training' text, and the 'eduPass' logo. A user ID 'LAST, First userID' is displayed in the top right. On the left is a sidebar menu with options: 'Profile', 'Self Service Registration -- Update Your Secret Questions', 'Change Password', and 'Sign out'. The main content area is titled 'Change My Password' and contains a form with three input fields: 'Current Password' (with a red error message 'Enter your current password'), 'New Password', and 'Repeat New Password'. Below the fields are 'Change Password' and 'Cancel' buttons. A note states: 'New password must be between 7 to 32 characters, not contain your UserID, first name, last name and must meet 3 of the following criteria: uppercase letter (A-Z), lowercase letter (a-z), numeral (0-9), and special character such as ()~`#\$*&@^'. The footer includes 'Website Created: 18 Feb 2014', 'Page Last Updated: 18 Feb 2014', and links for 'About the Department', 'Copyright/Disclaimer', 'Privacy', 'Accessibility', and 'Report an Issue with this Page: servicedesk@edumail.vic.gov.au'.
